Thank you to everyone at Lidgett for their prayers, support, fellowship and love shown to Eric over many years.

As a family we have received so many cards and messages following the death of Eric. We have been overjoyed with the love and kindness shown to us and the service to remember Eric last week was amazing. Dad hoped that there would be a few attending who would want to worship and sing as he loved to at Lidgett. It was wonderful to see Lidgett so full and to hear the beautiful singing together sharing in worship.

A huge thank you to everyone who have helped and supported us. With love and thanks to all.
Kathryn and family x
